INSTRUCTIONS FOR REGISTERING WITH THE LAW SCHOOL DATA ASSEMBLY SERVICE

The applicant must register with the LSDAS by completing and mailing the registration form provided with each LSAT application. A transcript from each college or university attended should then be sent NOT TO THE SCHOOL OF LAW but directly to:

LSDAS

The LSDAS will analyze the transcript and send a copy to the law schools you designate on the registration form. As soon as they are available, the applicant should submit to UCLA School of Law (NOT TO LSDAS) supplementary transcripts covering any work completed AFTER the initial registration with LSDAS. With rare exceptions, NO ACTION WILL BE TAKEN on any application until college grades are submitted through the first semester or quarter of the applicant’s senior year. In some instances, no action will be taken until second quarter senior grades are submitted. Accepted applicants will be required to submit directly to the School of Law a final transcript showing the awarding of a bachelor’s degree.
